FICTION EXPRESS FOR SCHOOLS

- Interactive e-books where readers vote to control the plot
- A new, exciting way to read for students aged 7 – 12
- Engages reluctant readers
- A springboard into writing
- Interact with authors as they are writing
- Weekly teacher resources

CONTROL THE PLOT

Gripping e-books published in weekly episodes

Readers vote online to decide what the author writes next

A great tool for guided, shared and independent reading

HOW DOES IT WORK?

- E-books are published online in weekly episodes Saturday morning
- Each cliffhanging episode ends with voting options allowing the readers to determine where the plot goes next
- Students vote online by Tuesday evening
- The author writes the next episode in real time according to the readers most popular choice
- Weekly teacher resources include :
 - text comprehension questions
 - Printable worksheets and puzzles
 - Activity ideas for writing, art and ICT
 - Picture resources
